**Requirements** for being listed on the KMS Referral Listings:

- 1 You or your company **MUST** hold either a Cash Account or an AR Account that is current and in good standing with Kirkwood Material / SiteOne and purchase materials on a consistent basis.
- 2 You must submit proof that your company is commercially insured with this application.
- 3 We will only refer your company for the work that you perform, **not** work or services that you would be sub-contracting to another company or associate.
- 4 If your company has a website, we will install an active link directly from the referral list(s) to your website; however, we require that a reciprocal link be installed on your website.
